

Accommodation for International Students International Office TUHH

Accommodation for Exchange Students

Accommodation in Hamburg is rather limited and relatively expensive. Particularly for students arriving for the winter semester or coming for a very short period (less than one semester), there is little choice of accommodation. New students should expect to pay between €250 - €300 per month for a furnished single room with shared kitchen and bathroom facilities.

The **Accommodation Office TUHH** assists international students, arriving directly from abroad to study at TUHH, in their search for accommodation. We can inform you about current availability and advise you on your options and the steps that you should take.

In cooperation with Studierendenwerk Hamburg we are now able to offer a number of rooms in **student halls of residence** to exchange students for either one or two semesters. Students live there in single rooms and share kitchen and bathroom facilities with other exchange students. In order to encourage and enhance intercultural exchange, students of various nationalities with various language backgrounds are usually placed together in an apartment.

Application procedure: Rooms are largely distributed on a "first come, first served" basis. It is therefore in students' interest to contact us as early as possible! We advise students arriving for the winter semester to write to us before the end of June, especially if they wish to stay in a hall of residence. Students who wish to arrive for the beginning of the summer semester should contact us before the end of January. It is essential that students are available by email and can cooperate appropriately at relatively short notice. *All rooms are subject to availability.*

Students who are not planning to stay in Hamburg for a whole semester will probably not be able to obtain a room in a student hall through the Accommodation Office TUHH. However if you contact us in time, we can explain to you how to rent guest rooms in the same student halls at a somewhat higher price.

Please see our website for further information or contact us directly by email:
